

YOUTHS SAID TO HAVE CONFESSED AUTO THEFT

After Going into Ditch with Car
Near Caledonia.

BENJAMIN KALM, OF
CLEVELAND, IS OWNER

Following Their Arrest Young
Men Say They Are Enroute
to Columbus.

Caledonia, O., April 15.—[Spc.]

clal.]—Marshal David Harrod, of this place, recovered the stolen automobile of Benjamin Kalm, of Cleveland, and arrested the two young men charged with the theft of the car, early this morning. Just after they started to walk to Marion on the railroad tracks after deserting the car a quarter of a mile north of Caledonia where they ran into the ditch.

After the men failed in an effort to get their machine from the ditch, they informed a resident that they would send for the car. Their actions caused the man to become suspicious and he notified the marshal who caught the pair just after they started west on the railroad. They gave their names as Victor Neuman and Morris Perlick and their residence as Cleveland. Both are

about twenty. They said they were driving to Columbus to see a brother of one of them in a hospital.

Taken to Prison.
The marshal took them back to the prison and made an investigation. He looked up the license number of the machine and found it was in the name of Benjamin Kalm. A telegram to Kalm brought the response that the machine had been stolen.

Later the young fellows confessed they took the machine from in front of a restaurant in Cleveland. Thursday afternoon, while the owner was at lunch. They were headed for Columbus when they ran into the ditch. The machine is a new Studebaker. It was not damaged by the accident, and still had a supply of gasoline to travel some distance. The owner of the automobile and an officer from Cleveland are to come after the machine and prisoners this afternoon.

OHIO FEDERATION OF WOMEN'S CLUBS

By Mrs. George Elliott McCormick, Director of Press

Ohio's Oldest Club Woman.

Eighty-seven years old but still as active as the club woman is Mrs. Anne M. Houston, Athens. As a delegate to the annual convention of the south-east district at Logan April 7 and 8, she gave the report to her club federation. All delegates were allowed three minutes to make verbal reports. Mrs. Houston taking all the time allotted in a speech that surprised her hearers into the closest attention because of the marked likeness of one so advanced in years and because of the steady tone of voice that made it easy for all to understand what the veteran club woman was telling about Athens, she is not only the oldest active club woman in Ohio, but it is believed that she may rightfully claim that title for the Middle West as well. She was the big attraction of the Logan convention, which was a notable success.

The old Indian town itself furnished a most picturesque setting for the district gathering and the hospitality extended on every side by Logan club women was truly wonderful, according to sentiment voiced by every delegate in attendance. Logan has but two federated clubs. These are the Tourists and Saturday clubs with a total membership of forty. Mrs. F. A. Sosman, Chillicothe, the vice president of the district, planned a program calculated to bring all the departments of the state's federation into a "close-up" review and in this she succeeded admirably. Mrs. W. H. Sharp, Columbus, president of the Ohio Federation of Women's Clubs, was particularly well pleased with the entire meeting. She delivered her annual message Thursday afternoon at the First M. E. church and was followed by the various department heads, including Mrs. Genevieve H. Cline, Cleveland, legislative; Mrs. J. L. Selby, Greenville, loan scholarship; Mrs. John Mackee,

Springfield, art; Mrs. Elmer J. Law, Logan, Cincinnati, civic; and Mrs. L. S. Evans, Chillicothe, conservation.

A "welcome" musical was a delightful feature. A reception honoring Mrs. Sharp, other state officers, delegates and guests was conducted at the home of Mrs. H. E. Cline, who was a most charming hostess. At the White home club women were delighted with "Prose Toss," a comedy written by Mrs. W. C. Frost, Logan, and produced by members of the Tourists and Saturday clubs.

The Logan conference endorsed bills calling for better moving pictures and stamping of bread showing weight of the loaf. Each delegate carried home a souvenir from the Logan pottery.

Ohio Federation History.

Miss Annie Laws, No. 2927 Reading road, Cincinnati, one of the best known club women in the state, is going to write a history of the Ohio Federation of Women's clubs. This important assignment could not have been placed in more capable hands, for perhaps no club woman in Ohio has a finer grasp of club affairs. Put to complete a history such as Miss Laws is to write it will be necessary for all club women who can to lend a willing hand to the federation's state historian. Miss Laws wants annual reports of the second convention in Cleveland in 1906, ninth convention in Columbus in 1908, eighteenth convention in Chillicothe in 1913, nineteenth convention in Youngstown in 1914 and directorates for 1917-18, 1914-15 and 1916-17. These reports and directorates are necessary for the compiling of the history and club women having them should promptly forward them to Miss Laws, or club women not having the desired material but having knowledge of how to get it should get in to communication with the historian of the state federation.

MORRAL WILLING WORKERS AT HOME OF TEACHER

Mrs. C. H. Powell, Hostess to Class—Notes.

Morral, O., April 14.—The "Willing Workers" class of the Baptist Sunday-school, was entertained at the home of the teacher, Mrs. C. H. Powell, Wednesday night of last week, with Miss Marie Penhorwood as hostess. A contest was enjoyed, Fred Hawk being the winner. During a short business session Miss Marie Penhorwood was elected secretary to take the place of Miss Esther McCumber, who resigned. Thelma McWhorter, Ava Wilson and Kitty Rogers were elected as an entertainment committee. Ole Furniss, Gene Rogers and Fred Alkire were appointed to write up a constitution and by-laws. After the business was disposed of, a social hour was enjoyed. Miss Linda Brown was a guest.

Class No. 1 of the Baptist Sunday-school was entertained at the home of Mr. and Mrs. J. H. Bardon Wednesday night of last week, with D. S. Bretz as host. Headlines by each member of the class were given and music enjoyed. It was decided to hold the meetings the second Tuesday of each month.

C. H. Teach, superintendent of schools here, is back at work again, after an absence of several months on account of sickness. Mr. Teach was injured by a fall on the ice at his home in Columbus.

The Home Missionary society of the Methodist church met at the home of Mrs. H. S. Giles, Wednesday afternoon. Mrs. Darius Washburn told about the missionary work that is being accomplished in Rome; Mrs. L. J. Dennis told about "How many homes the society has for negro girls, for Chinese and Japanese, and where they are located." The homes for Indians, mountaineers and Spanish-American homes, schools and settlements and where located, was discussed by Mrs. O. T. Pieman. "Community work in the Southern Mountains" was the subject of a reading given by Mrs. A. W. VanWick. Mrs. J. T. Lucas

gave "Perpetual Division," and Mrs. W. B. Kellenberger gave a reading "Would You Have Known?" Mrs. Ray Neal led in the discussion of "Our Folks in the Settlement House at Gary, Indiana," the following ladies taking part in the discussion: Mrs. S. E. Morral, Mrs. J. Snyder, Mrs. O. Washburn, Mrs. C. C. Cline, Mrs. E. B. Titus, Mrs. H. S. Giles, Mrs. C. L. Starkey, Mrs. W. B. Kellenberger.

The called meeting of Morral Temple No. 429, which was to have been held last Saturday night was postponed, Mrs. Gertrude Baker being unable, on account of the death of a relative, to be present. The meeting will be held Saturday night, April 16, at which time Mrs. Baker will be present and inspect the temple.

The Men's class of the Methodist Sunday-school met at the home of H. A. DeRoche Monday night. Marion McIntire gave "Current Events." This was followed by a song, "Onward Christian Soldier," and an address by Rev. J. B. Coleman. James Dawson gave a reading, and O. T. Pieman led in a discussion on the good of the class.

Knights of Pythias lodge No. 739 held a well attended meeting Wednesday night. Four visitors from Marion were present.

M. and Mrs. Marion Warner have moved here from Marion and are occupying the house they recently purchased of Mrs. Omer Warner.

In Hard Lines

"I could not work at all and had to take to my bed with a high fever due to intestinal indigestion, gases in my stomach and pain in my right side. I had spent my last cent for doctors and medicine, which gave me no relief. I was in despair. A lodge brother gave me a bottle of May's Wonderful Remedy, and the first dose relieved me. Thanks to this medicine I am now in the best of health." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale at all drug stores.—Adv.

SPECIAL APRIL SILK NEWS

Friday, April 15.

Tomorrow Morning We Start a Very Wonderful Sale
Thousands of Yards—Beautiful Fashionable Brand New Spring and
Summer Silks—Just Opened Up—At Remarkable Savings

One of the Fortunate Happenings of the Whole Season—this
Unusual Opportunity to Buy a Magnificent Assortment of the Sea-
son's Most Fashionable and Desirable New Silks—At Prices Which
Everyone Will Recognize as Being Remarkably Low.

It has been a long time since our big, busy Silk Section has been enabled to announce a Special Selling Event comparable with the one starting tomorrow.

After long and careful searching and much seeking in the markets we are enabled to make just recently some very special purchases for cash—which gives our customers the benefit of such values and such prices as have been impossible for a long time.

This Notable Silk Sale, which starts tomorrow, will include thousands of yards of the choicest and most desirable Silks of the season. And virtually every yard included is fresh, brand new and just opened up merchandise.

You will find the quality, colors and patterns—without a question the most extensive ever included in a special selling event in Marion.

Good Silks were never more popular nor more fashionable than at present. They are in big demand every day now, even at regular prices.

We will have plenty of extra salespeople in order to assure prompt service, but we advise those of you who can to come during the morning hours, for while the assortments are remarkably extensive in every way, yet it always happens that the best and most desirable materials are first disposed of.

Some of these special Silks are being shown in our Center street windows this evening.

We do not say what these Silks are regularly worth, since we do not quote comparative prices in our advertising, but you may be assured that there is a handsome saving on every yard.

SPECIAL ENVOY FAILS IN WORK

nal failure. The ex-premier frankly
wanted the administration to come
out and fairly endorse the repa-
rations settled upon by the allied pre-
miers, which would make Germany
pay indemnities of approximately
\$55,000,000,000 and a 12 1/2 per cent.
tax on her exports.

This, the Harding administration
has declined to do. So far, President
Harding and Secretary of State
Hughes have confined themselves to
a statement that Germany is morally
responsible for the war and must pay
"just" reparations. Beyond that,
they have refused to go. What con-
stitutes "just" reparations is a sub-
ject of dispute. The allies say \$55-
000,000,000 and 12 1/2 per cent. of
German exports constitute "just re-
parations." B. M. Baruch and other
American members of the reparations
commission in Paris estimate it at
more nearly \$15,000,000,000.

The first result of M. Viviani's
failure to enlist more ardent support
from the United States was seen by
officials today. In the tone of the
French answer to Secretary
Hughes' note on the island of Yap
and other mandates. This note of
officials characterized today as "ratifi-
cation" and "highly satisfactory."

While France did not openly take
sides with America against Japan
in this Yap controversy, the
officials saw in Premier Briand's
offer to renew the matter before the
next meeting of the allied supreme
council a tacit admission, at least,
that the American position is one
of soundness and fairness.

France is more keenly desirous of
American sympathy and support than
she is of Japan's having Yap. In the
opinion of diplomats in Washington,
France can be counted on to support
the American contention that
America must be considered in the
disposition of the fruits of victory.

ers affiliated with the American Fed-
eration of Labor and directing ne-
gotiations to be carried on between
each individual railroad and its em-
ployees.

William H. Johnston, president of
the International Association of Ma-
chinists and a member of the execu-
tive board of the railway employees'
department of the federation, voiced
the feeling of the labor officials here,
today, when he declared:

"The pernicious influence of the
steel trust is behind this movement
to destroy the railroad unions, as it
is behind the movement to crush all
of organized labor.

Only one railroad union official
here would comment for publication
on what will happen in event the
roads reject the unions' "fundamen-
tals." This was Timothy Healy, one
of the executives who direct the poli-
cies of the sixteen standard railroad
labor organizations. Healy, who is
president of the International Union
of Oilers & Stationary Firemen,
said, significantly:

"If the railroads keep running,
there will be agreements between
them and the men, containing the
fundamentals demanded by the
unions."

"Does that mean strike?" he was
asked.

"That statement has only one
meaning," he answered.

ENGLAND GETS RELIEF TODAY

Continued from Page One.

teenth day of the great coal strike,
official statistics put the total of un-
employed in the United Kingdom at
1,615,000. This is an increase of
109,000 over last week. The total
of workers on short time was given
at 897,000. Thus the strike already
has affected more than 2,500,000
workers.

An Adjustment.

London, April 13.—All signs,
shortly before noon today, pointed
to an eleventh-hour tentative settle-
ment basis upon which the triple-al-
liance strike, which is to be effective
at 10 o'clock tonight, may yet be
averted. Premier Lloyd George
opened the day by sending a letter
to the miners' federation, the con-
tents of which had not been made
public up to the hour of writing.

The prime minister's letter was
generally presumed to contain some
last-minute conciliatory plan.

There were strong indications of
a revolt within the miners' organiza-
tion against the defiant attitude taken
by its executives against the govern-
ment and their resistance against
all mediatory attempts by the heads
of the rail men and transport work-
ers.

In the lobby of the house of com-
mons the persistent rumor made the
rounds that Frank Hodges, who has
been the most aggressive among the
miners' spokesmen, has resigned.
Immediately after the premier's
letter had been received, the miners'
heads went into executive session
with the triple-alliance leaders. The

meeting is reported to have been
one of the stormiest since the great
strike began, fifteen days ago.

port of the measure.

Pomerene for Treaty.

Senator Pomerene in a senate
speech advocated payment to Colum-
bia of \$25,000,000, as provided in
the Colombia treaty, "as a meas-
ure of justice and a moral obliga-
tion."

Mr. Pomerene, opening the fight
for ratification from the Democratic
side, declared justice demanded that
Colombia be compensated for the
loss of Panama through a course of
events in which the participation by
the United States, he asserted, could
not be defended "either in the sight
of God or of man."

Ratification of the pact was urged
by Senator Knox on the other hand,
because the United States was "mor-
ally bound to compensate Colombia,
not for what she lost, but for what
we gained." Taking issue with Sen-
ator Pomerene, the Pennsylvania
senator asserted that the course of
the United States in the events at-
tending the revolt of Panama "squared
to our rights and duties and to the
governing rules and principles
of international law."

Declaring ratification of the pact
would put "the brand of shame" on
Theodore Roosevelt, Senator Borah,
declared, "the moving force behind
Panama revolt from Colombia" was
not Theodore Roosevelt, John Hay
or the United States government, but
the people of Panama."

Sent to Senate.

Harding, today, sent the following
nominations to the senate:

To be treasurer of the United

North Dakota.

To be collector of internal revenue

for the district of Indiana, M.

WHICH PROBABLY WILL BE GIVEN TWO NIGHTS

About Forty Seniors Turn Out for Play and Selections Are Made by Miss Foreman.

"It Pays to Advertise," the annual senior play given by the students of the Harding High school, will be staged May 26 and probably 27. The production will be a farce comedy in three acts, written by Roy Cooper, Myer and Walter Hackett. The play was given its first presentation in 1911 at the George M. The father threatens to disinherit him and tell him that he is nothing but an idler and couldn't earn a penny. Rodney and Ambrose Peale, whose hobby is advertising, form a combination to back the soap magnate. They finally convince Cyrus Martin that advertising does pay.

Rodney Martin Ralph Brown
Cyrus Martin Frank Weeks
Ambrose Peale Edwin Knachel

EAGLES' BOXING STUNT AROUSES MUCH INTEREST

Charles L. Murphey Installed
Trustee of Elks' Lodge.

DRUIDS CONDUCT THEIR FIRST NOMINATIONS

Also Make Plans for State Con-
vention To Be Held Here in
June—Uniform Pythians.

Much interest is being manifested
by local fans in the Eagles
boxing show to be staged at the
armory the night of April 23 and
without doubt the card will be the
best ever seen in the city. The
main bout will be twelve rounds be-
tween George Reichle of Cleveland,
and Joe Dillon, of Columbus, at 130
pounds. The semi-final will be
eight rounds between Jake Mellman,
of Columbus, and Tommy O Boyle
of Cleveland, at 120 pounds. The
preliminary will be six rounds be-
tween Jimmy Serra, of Columbus,
and Johnnie Gerry, of Marion, while
Indian Holland, of Lima will go
four rounds with Bobby Powers, of
Newark, as a curtain raiser.

Reichle won the national amateur
championship two years ago from
Jimmy Katz and has not lost a go-
since. Dillon has had twenty-eight
fights without losing one and has
never failed to floor an opponent at
least once. Word from the Dunn
stable is to the effect that Reichle is
training hard for the match and ex-
pects to retain his title, while Dillon
is in training in Columbus and ex-
pects to add another go to his list
of sixteen knockouts. The class of
both men is not unknown to local
fans.

O Boyle is now in training at the
Sack's stable, in Cleveland. He
will be remembered as putting up
such a clever fight at the American
Legion show held at the armory last
month. He forces the fighting and
is a hard hitter with a clever defense
and he expects to make it mighty
interesting for Mellman who has an
excellent ring record.

In Jimmy Serra the audience will
see a boxer of real class and will
be able to get a good line on the abili-
ty of Johnnie Gerry the local boy.
Gerry is training hard for the match
and will make every effort to secure
the decision over his more experi-
enced opponent.

Indian Holland was seen here in
the first show staged by the Eagles
and he made a good impression with
the fight fans. He will go after
Bobby Powers with a determination
to work his way up in the arena and
the fans will no doubt be given a
classy curtain raiser.

Many of Cleveland's fight lovers
have been watching the Cleveland
boys work out and at the same time
have been afforded some real ring
sport between Reichle and Carl De-
laney, the latter being among the
top notchers of the country. A
number of Cleveland Eagles and
friends of the fighters are planning
to make the trip to Marion to see
the show. Tickets have been placed
on sale at Lewis & Markert's, Bever
& Hudson's and Edward Vinous-
ghan's cigar stores.

"I never felt better in my life even

and I give full credit to Tanlac for

said Charles H. Ammon, 227 Union
Place, Akron, Ohio.

"I know what good health means
now," he went on, "for I have been
troubled in one way and another for
four years. My stomach gave me
all sorts of trouble and I had to be
particular about everything I ate.
Why, at supper if I ventured beyond
my limited diet I would be in mis-
ery sometimes all night long. My
nerves were all on edge, and many
times while out on the street I
would turn dizzy all of a sudden and
feel and stagger every step I took
until I could catch hold of some-
thing."

"I never struck anything that fit
my case until I got hold of Tanlac,
and the way it straightened me out

like I'd been made all over again

REDEX HELPED ME FROM THE VERY START

To suffer from sickness for a long time and then to get relief in a few days is like a pleasant dream, but this was a happy experience of Mrs. C. Addisburger, a well-known Newark lady, residing at 260 North Fifth street, who says: "I have been very weak and nervous for months. I had a very poor appetite and was all run down. I seldom enjoyed a good night's rest, and felt about all in when it was time to get up. I had no strength or ambition to do anything. I don't know really what my trouble was, but I felt very miserable and indisposed. I started taking Redex several days ago and it has certainly done me a great deal of good. I enjoy my food and am rapidly gaining strength. My nervous condition is very much improved and I sleep ever so much better and get up refreshed and able to get round and do things. I am better in every way than I have been in a long time."

"I cheerfully recommend Redex; it is wonderfully good medicine."

Redex can be obtained in Marion at Lower's Schmidt's and all leading drug stores. It can also be had in Prospect at Osborn & Son and Bridgeford Pharmacy; and in Richmond at Kyle's Drug Store.—Ap.
